HEALTH CARE PRIVACY NOTICE – INFORMED CONSENT – ASSIGNMENT OF BENEFITS – AUTHORIZATION & LIEN

This office is committed to providing patients with quality health care services delivered with dignity and concern. Fulfilling this commitment requires the efforts of the doctors, therapists, staff and patient working together as a team to obtain the maximum results. Patient satisfaction is a vital interest to our staff.

This Facility is required by law to abide by the terms of this Health Care Privacy Notice, Patient Bill of Rights and Informed Consent as well as other applicable federal and state laws governing privacy practices in health care. Our Facility may change and/or modify the terms of this Notice at anytime without additional notice to you except to publicly post in our Facility and/or make available to patients any updated notices. Photocopy of this Notice is available to you upon request. The term Facility refers to this office or clinic. The term Provider refers to doctors and/or licensed professionals of this Facility.

Our Facility & staff are committed to maintaining the privacy of your protected health information (PHI). PHI is information about you, including demographic information that may identify you and that may be related to your present, future and past physical or mental health or condition and the care and treatment you receive from our practice. This Notice describes how medical information about you may be used and disclosed and how you can obtain access to this information. Please read this Notice and direct questions, misunderstandings or concern to the Compliance Officer of this Facility.

Our Facility may use & disclose your PHI for health care delivery purposes. Your PHI may be used and/or disclosed without your written authorization by the doctors and staff of this Facility for the purposes of your care and treatment; paying your health care bills; and to support the operations of this practice. Your doctor and the staff will take all reasonable measures to maintain the confidentiality of your PHI.

The Privacy Rule allows you the right to review and receive copies of your health care records as it relates to your health care. The request must in writing, allowing your provider 30 days to respond. Your provider may deny your request if it will cause harm to you or to another person. Your provider may charge a copy fee, which will be in compliance with State law. Your provider will comply with any reasonable request to have confidential communication by alternative means or at an alternative location if not doing so endangers you.

You may request to have an amendment placed in your record if you disagree with anything in your record. This does not mean that anything will be removed or changed and the provider has the right to respond with a rebuttal statement if he/she feels it is necessary. You may revoke authorization, in writing, at any time, except in the event that the provider has acted as indicated in the doctor's Authorization Notice.

You have the right to file a written complaint with our Compliance Officer if you believe that any of your privacy rights have been violated. You can obtain a complaint form from the Compliance Officer and/or the Office of the Civil Rights. All complaints must be filed within 180 days of when you knew or should have known that the violation occurred. The Privacy Law prohibits our Facility from taking any retaliatory actions against anyone who files a complaint. A more detailed, updated & comprehensive Health Care Privacy Notice is available for your review in this Facility.

I understand that this Facility, its doctors & staff are accepting my case based on examination findings & believe the outlined treatment should produce change and/or improvement. However as with any diagnostic test, procedure, examination or doctors care a guarantee of improvement or complete recovery cannot be made and it is even possible that no change will occur.

Our Facility further wants you to understand your Patient Bill of Rights, options for care and risks of treatment rendered by us. In the practice of medicine, surgery, chiropractic, spinal or joint manipulations / adjustments, podiatry, psychological counseling, massage, physical, speech and respiratory therapy there are some risks. These risks may include, but are not limited to soreness, dizziness, fractures or joint injuries, disk injuries, strokes, heart-attacks, dislocations, sprains-strains, drug interactions, procedural complications, reactions and/or other injuries which may be short or long-term or side effects which cannot be pre-determined.

I do not expect the doctor/provider to be able to anticipate and explain all risks and/or complications, and I wish to rely on the doctor/provider to exercise judgment during the course of the procedure(s) which the doctor/provider feels at the time is in my best interest.

In addition, because psycho-social, spiritual, and cultural values affect a patient's response to care, patients are allowed to express and follow spiritual beliefs and cultural practices that do not harm others or interfere with the planned course of treatment.

Patients have the right to refuse treatment, but must be aware of the probable consequences of refusing treatment and/or failing to cooperate with the prescribed treatment. Should you refuse and/or fail to comply with prescribed treatment your provider will discuss specific consequences with you.

Therefore, I give my full consent to the doctor/provider to render treatment on me or the minor for whom I am legally responsible by a health care provider of this Facility. I, the assignee, being the patient or legal guardian for said minor listed below, do hereby irrevocably authorize, direct, assign and give a full lien to the office named above and listed below, hereinafter referred to as the "Facility" against any & all insurance benefits, proceeds of any settlement, judgment or verdict which may be paid to the undersigned as a result of the injuries or illness for which I have been treated by the Facility.

I, the assignee further authorizes any and all insurance company, attorney and any & all third-party payer to pay directly to the Facility all sums of money due them for any & all services rendered to me or minor by whom I am responsible for by reason of accident, illness and by any & all reason of any other bills that are due or may become due, and to withhold such sums from any health & accident, workers compensation and or including all insurance or third party benefits.

Assignee agrees that this Facility & staff may deliver medical records, consultations, depositions and/or court appearances which must be paid in full in advance and authorizes this Facility to release any information pertinent to said health care to any insurance company, adjuster, attorney or legal service bureau to facilitate collections under the terms of this document. Assignee grants the Facility a full power of attorney to endorse &/or sign my name on any & all checks for payment of any indebtedness owed this office & assignee.

INSURANCE BENEFITS – CREDIT POLICIES – PAYMENT TERMS & CONDITIONS

As a courtesy, the Facility will obtain a verification of applicable insurance benefits as they are quoted to us but some third-party payers misquote benefits, coverage and liability. Our Facility & staff are not responsible for what a third-party payer and/or representative may tell us. Any contractual, written, verbal or other obligations or arrangements between you and an attorney, insurance company, liable or third party payer are between you and said person.

1. Our Facility will file initial insurance claims for you. Secondary claim submission and/or additional reports or documents sent for your benefit may result in an additional filing or medical report charges, which you are responsible to pay.
2. Co-pays, deductibles and all non-covered service charges are due the day the service is rendered.
3. Patients are responsible for charges on all service(s) and/or product(s) which may exceed the maximum allowable and/or when a third party and/or insurance carrier does not reimburse this Facility enough to meet our cost of service. All credit balances are deleted after 1 year of non-use.
4. All account balances, including automobile and work injury claims must be paid in full within 90 days of treatment. Patients are fully responsible for all money owed this office and such payment is not contingent on any settlement, claim, judgment, or verdict by which they may eventually recover said fee and it is also regardless of any attorney liens or pending settlement(s). If a third-party payer fails to pay said balance in full within the 90-day period, the patient must pay the balance in full. Assignee is fully responsible for all money owed this Facility for any and all treatment, products & services rendered to the patient or minor shown below.
5. A non-discriminatory "Time of Service Discount" is offered to anyone who pays for services the day they are rendered. The "TOS" is only offered on the day the service is rendered. This discount does not apply to orthopedic supports, orthotics, physical therapy equipment rentals or purchases, vitamins, supplements, ointments, acupuncture treatments, weight loss programs, psychological counseling services, esthetician services and massage therapy.
6. A service charge is computed by a 'periodic rate' of 1½ % per month – 18% per annum & is added to all balances owed 60+ days. Any balance past due 90 days or more may be submitted to an attorney and/or agency for legal collection for which the undersigned agrees to be 100% responsible for all monthly service charges, interest, costs related to but not limited to all collection related expenses, attorney fees, court & filing fee's. Returned checks, debit & credit charges made payable to this Facility for insufficient funds, stop payments or other reasons of non-payment will be assessed a \$25.00 charge.
